RESEARCH OR CASE ABSTRACTS

Abstract submissions are now being accepted for the 2010 NASOM Annual Meeting. Submissions should be 250 words or less and may include new research, work in progress/new proposals, topic reviews, as well as case reports. Presentations will be allotted approximately 10-15 minutes, including time for questions. Submissions must include the presenting author's title and affiliations, as the presenter would like them to appear in the course syllabus.

Please submit abstracts for consideration, in English, by **March 1, 2009** as a Microsoft Word attachment to Paul Gibson @ gibsonp@ucalgary.ca.

Please include "NASOM Abstract Submission" in the subject line.
