The executive committee chair will assign positions for the initial founding executive committee.

ARTICLES OF ORGANIZATION FOR THE SOCIETY OF OBSTETRIC MEDICINE

- E. Future nominations for vacant positions on the executive committee (except regional representatives) will be solicited from the membership at least 3 months before each business meeting of ISOM. Applicants must be proposed and the applicant agreeable to being appointed. Applicants will be asked to write a short five-line biography. Two months before the business meeting of ISOM, ISOM members will be notified of applicants and given the opportunity to vote electronically. The Nominating Committee for all new executive members except President shall be the President and Past president. For appointment of a new President the out-going President and current Past President will prepare a slate of nominees. One month before the business meeting of ISOM, the vote will be closed. The Past President will oversee the counting of votes, election to be made by a simple majority vote of the membership. The method of appointment of regional representatives should be decided by the Society at its next business meeting.
- F. The finances of the Society will be resident in the place in which the Treasurer resides and will be subject to local tax law.

VI. Membership Dues

- A. Membership dues are payable annually, the amount being determined by the Executive Committee
- B. The dues amount will be reviewed every two years by the Executive Committee, and approved by a simple majority of the membership at the subsequent business meeting of the membership.
- C. Payment of annual dues is required in order to be eligible to vote and to hold any office.
- D. Payment of annual dues is required to obtain password access to all facilities on the ISOM website.

VII. Meetings and Courses

- A. The Society will sponsor an international scientific meeting for the membership occurring at a frequency of no less than every two calendar years. The Executive Committee will select the dates and sites.
- B. The Society may sponsor or assist in the organization of postgraduate educational courses in medical complications of pregnancy independently of or in association with the international scientific meeting as determined by the Executive Committee.
- C. The Society will hold a business meeting for the membership at each international scientific meeting.
- D. The Society may hold its meetings in conjunction with organizations such as the International Society for the Study of Hypertension in Pregnancy or any of the annual meetings of the regional obstetric medicine societies.

VIII. Amendments

- A. Amendments to the Articles of Organization of the Society may be proposed by any dues-paying member to the Executive Committee by mail. If the amendment is passed by a simple majority of voting members by mail ballot, it will be come effective at the end of the next Society Business Meeting.

ARTICLES OF ORGANIZATION FOR THE SOCIETY OF OBSTETRIC MEDICINE

IX. Expulsion/removal

- A. Any membership can be reviewed upon the recommendation of any active member to the secretary of the executive committee.
- B. Decisions regarding dismissal will be determined by simple majority vote of the executive committee.

X. Personal details

- A. In general the officers of the society should not divulge personal details of members such as e-mail addresses to third parties
- B. However there may be circumstances when a member of the Society may wish to e-mail all members, for example to advertise a meeting that would be of particular interest to members. Such exceptions should be considered on an individual case basis by e-mailing all the executive committee. Three consenting signatures are needed for agreement. One dissenting signature within one week of the original mailing demands further discussion by the committee.
