

July, 2015

Dear ISOM current (but membership soon to be expired) and former members,

Your ISOM membership has either expired or will be about to expire. Please consider renewing your membership.

As I would like to re-align ISOM membership to finish on Dec 31st of each calendar year (for ease of administration and remembering) when you renew your membership this year, you can pay \$70 USD only (please input this amount in the PayPal account, instead of \$140 USD) for the remainder of the year. Please renew your membership now at www.isomnet.org or wait for our new website, which should be launched within the next month. We have mailed out the latest *Obstetric Medicine journal* to the members whose membership have just expired or about to expire in this transition.

Until the launch of our new website, I would like to alert you to the following upcoming meetings/conferences:

- **2015 SOMANZ Annual Scientific Meeting** to be held in **Melbourne, VIC** at the Pullman & Mercure Melbourne Albert Park Hotel, from **Friday 16 October to Sunday 18 October 2015**. For further information, please visit the official SOMANZ meeting website at <http://www.somanzasm.org>. Abstract submission deadline is August 21, 2015.
- **2015 North American Society of Obstetric Medicine (NASOM) meeting November 14-15**, held in conjunction with the Rocky Mountain/ACP/AMA Internal Medicine Meeting in **Banff, Canada** at the **Rimrock Resort Hotel**. Abstract submission deadline is July 15, 2015 (send submissions to dhoogasian@lifespan.org). Abstract should be <250 words. Research abstracts should include: Background and Purpose, Methods, Results and Conclusions. Case Report abstracts should include: Background, Case description, and Discussions.

Banff is located approximately 144km from Calgary via the Trans-Canada Hwy in the heart of the Canadian Rockies. Driving time from Calgary International Airport is 1.5 hours (approx. 90 miles/145 kilometers west). The meeting will start early Saturday morning and finish Sunday at noon

- **4th International Congress on Cardiac Problems in Pregnancy (CPP 2016)**, in **Las Vegas, USA** on **February 27-March 1, 2016**. Congress website is: <http://2016.cppcongress.com/>. Abstract submission deadline is November 1st, 2015.
