

3rd February, 2017

Dear Colleagues,

The 2017 ISOM congress in Cape Town is fast approaching (18-20th March, 2017). The Congress is being held at the Westin Hotel on the 18th and 19th March and the final day is a concurrent session with the RCOG at the Cape Town International Convention Centre.

If you have not already registered, please visit the Congress website (<http://www.isom2017.co.za/>) as soon as possible.

ISOM members are entitled to a registration discount and will have access to the invited speakers lectures through the Members only website after the meeting. Please ensure your membership is current for 2017 : see

<https://www.isomnet.org/member-benefits.asp>

An exciting programme has been created by the Local Organising Committee of John Anthony, Priya Soma-Pillar and Karen Sliwa along with the ISOM Executive Committee. We thank them for all their hard work to date.

At this time we are congratulate the recipients of the ISOM Travel Grants; Matthew Caldwell & Zoe Stewart.

When making your travel arrangements, please note the accommodation rates offered by the Congress organisers are very favourable and I would encourage you to book through the website soon, to ensure your room at the Westin Hotel.

I look forward to meeting with our South African colleagues and many of our international members next month.

Best Regards

Sandra Lowe AM
